

Dumpster and garbage pickup Information for Duluth/Chattahoochee Cove residents:

Scheduled trash and recycle pickup is each Wednesday with two separate runs. Pls. do not place items curbside any earlier than Tuesday as it is an eyesore to the community. Items not picked up as well as empty containers need to be removed from curbside by Wednesday evening. Following is detailed information to engage Republic Services and the Duluth city dumpster resources. Be mindful not to place trash directly in front of the mailbox as the postal service delivery is impeded and your mail is at risk of not being delivered due to lack of access.

Hours of Operation for the Dumpsters: (www.duluthga.net/departments/public_works/dumpster_info.php)
Saturdays 8:00 am – 3:00 pm, Monday through Friday from 3:00 pm - 6:00 pm.

A City of Duluth issued Dumpster Card will be required each year to use the service. Dumpster Cards are issued in the Office Monday - Friday from 7:30 am until 4:30 pm., Public Works at 2450 Main Street. DUMPSTER CARDS ARE **NOT** ISSUED ON SATURDAYS, THE OFFICE IS CLOSED.

How a Dumpster Card is obtained?

There are two ways: 1) Bring a current Utility Bill (gas, water, electric) to the Public Works Facility, Monday - Friday from 7:30 am until 4:30 pm and a card will be issued to you. 2) Download a form here and print it out. Follow the directions on the form and a card will be mailed to you.

No trucks larger than a regular full-size truck with a ten foot trailer or a ten foot moving truck are allowed at the dumpster. NO DUMP TRUCKS, MOVING TRUCKS OVER TEN FOOT ARE PERMITTED.

What items are accepted at the Public Works Dumpster?

We are now accepting glass since it is no longer taken at the curb with recycling items. Your dumpster card **WILL NOT** be punched if that is the only item brought in to the dumpsters. Please wash out your glass food jars before bringing them to Public Works.

Other items for our dumpster that you would normally find when cleaning the garage or basement, are: cardboard, lawnmowers, appliances, grills, old/broken furniture, old clothing, broken electronics (TV's, VCR's, stereo/computer equipment, etc.), vehicle parts and fluids (motor oil, batteries, and antifreeze), old children's toys, tree limbs, grass clippings, leaves, etc. We could not list every item that is accepted here, if you have a question about an item, please call Duluth Public Works at 770-476-2454.

Notes for resident curbside garbage pickup (Chattahoochee Cove):

Republic Services (Chattahoochee Cove Garbage Company) (<https://www.republicservices.com/locations/georgia/duluth/30097>) will also take items from the curb if you are unable to bring them to Public Works. Republic will take items like mattresses, furniture, appliances and household items at the curb. YOU MUST CALL (678 963-2800) within 24 hours (Tuesday) of the Wednesday pick up to ask for this special service. You must also attach a Duluth trash bag to each if multiple items or the item will not be picked up!
